

AUSTIN FENCERS CLUB

HOMESCHOOL PROGRAM

AFC's program is designed for homeschooled students with very little or no fencing experience.

The class will introduce the student to the basics of fencing, including footwork and bladework, in a fun atmosphere. Games and drills build fencing skills as young fencers develop balance, coordination, quick reactions, self-discipline, concentration, and strategic thinking. Fencers also learn to referee, enhancing self-confidence and good sportsmanship.

We have two separate classes, a [Beginners](#) class and an [Intermediate](#) class. The Intermediate class is for those students who have participated in our last homeschool program. Both classes are structured into Sessions. Each session having 4 classes.

The [Beginners Class](#) meets on Wednesdays.

11:00–12:00 for ages 11–15.

The [Intermediate Class](#) meets on Fridays.

10:00–11:00 for ages 8 – 10.
